- d. Questions from Auditing regarding the collection of taxes at NH wineries as follows:
1. 5 % tax on all retail sales at the winery and farmer's markets.
  2. 5% tax on wholesale sales to NH Licensees for resale.
- Taxes are not being collected on sales to the NH Liquor Commission, on sales to out-of-state vendors, and on product used for tasting at the winery. Is this correct based on your reading of the statute?
- Taxes are being collected on product used for sampling and tasting outside the winery and on products shipped directly to out-of-state consumers or retail businesses (direct shipments). Is this correct procedure as you read the law?
- Does this agree with your reading of the winery statute or are there are areas of concern? I am requesting a review due to the increase in direct shipments to out-of-state individuals and businesses which are outside the normal wholesale channels.
